Sri Ramakrishna Sharanam

Acknowledging the Contribution to the Kodagu Relief Activity

Dear Sriman / Srimathi,

Sub: Kodagu (Coorg) Dist., Karnataka - Heavy Rains - Flood Relief Work
by Sri Ramakrishna Sharadashrama, Ponnampet - Communicating
sincere thanks for contribution and forwarding formal receipt.

Greetings and Good Wishes from Sri Ramakrishna Sharadashrama, Ponnampet.

This year's monsoon was more than bountiful. Unfortunately, due to the unexpected heavy downpour of rains, the Kodagu District was severely affected with flood and landslides. The normal life for many people was disrupted.

As a safety measure when affected people were taken to camps, our Ashrama immediately started the Relief Work. Though we appealed to the devotees and well wishers of the Ashrama through social media we could not formally issue appeal for help to the flood relief work by us.

However, many devotees and well wishers of the Ashrama contributed both money and material according to their capacity and without any hesitation and without any delay. It is noteworthy to say that such timely help indeed provided succour and comfort to the affected people.

We heartily thank your sincere and immediate response in this connection. Please find herewith attached the formal receipt for your kind contribution.

May Sri Ramakrishna, Maa Sarada Devi and Swami Vivekananda ever be gracious to you is our sincere prayer.

Thanking you,

Yours in the Service of the Lord,

Swami Bodhaswarupananda
